State Governments/ Union Territory Administrations concerned. Statistical data of this nature is not centrally maintained.

(d): Central Government is vested with powers to deport a foreign national under section 3(2)(c) of the Foreigners Act, 1946. These powers to identify and deport illegally staying foreign nationals have also been delegated to the State Governments/ Union Territory Administrations and the Bureau of Immigration under the Foreigners Act, 1946. Detection and deportation of such illegal immigrants is a continuous process. A revised procedure for detection and deportation of illegal Bangladeshi immigrants was communicated to the State Governments/UT Administrations in November, 2009, which was partially modified in February, 2011 and further modified in February, 2013. The procedure includes sending back then and there, the illegal immigrants who are

intercepted at the border while entering India unauthorisedly. The Central Government is also implementing a Mission Mode Project on Immigration, Visa and Foreigners Registration & Tracking (IVFRT) which will facilitate improved tracking of foreigners by integrating and sharing information captured during visa issuance at Missions, during immigration check at the Immigration Check Posts (ICPs) and during registration at the offices of the Foreigners Regional Registration Officers (FRROs)/ Foreigners Registration Officers (FROs). Law enforcement agencies also maintain a strict vigil on the activities of foreigners in the country and take appropriate action in cases of any illegal activities.
