PM congratulates Donald Trump on his assumption of office as President of the USA

The Prime Minister, Shri Narendra Modi has congratulated Mr. Donald Trump on his assumption of office as President of the United States of America.

"Congratulations to Donald Trump on assuming office as US President. Best wishes in leading USA to greater achievements in the coming years.

Strength of the India-USA strategic partnership lies in our shared values and common interests.

Looking forward to working with President to further deepen India-US ties & realise the full potential of our cooperation", the Prime Minister said.
