Cabinet approves MoU signed between India and France in the field of Renewable Energy

The Union Cabinet chaired by Prime Minister Shri Narendra Modi has given its ex-post facto approval to the Memorandum of Understanding (MoU) signed between India and France in the field of Renewable Energy on 10th March, 2018 in New Delhi.

Both sides aim to identify research/ demonstration/ pilot project between National Institute of Solar Energy (NISE), India and Commissariat à l'Energie Atomique et aux Energies Alternatives (CEA), France in the mutually identified areas. Based on mutual agreement, both parties would work for implementation & deployment of pilot project in ISA member countries. Collaboration may occur through several means, including joint research projects, joint R&D, joint workshops, Research and Technology exchange including exchange of domain experts. The MoU also aims for exchange of expertise and networking of information.

The MoU will help in strengthening bilateral cooperation between the two countries.
