Agreements signed for supply of nuclear fuel

As part of the civil nuclear cooperation, India has entered into Inter-Governmental Agreements (IGA) with France, USA, Russia, Namibia, European Union, Canada, Argentina, Czech Republic, Kazakhstan, Republic of Korea, Vietnam and Sri Lanka, some of whom are uranium producers and suppliers.

(b) Agreements have been made with the following countries for supply of nuclear fuel:

S.No.	Firm/Country	Agreements signed for supply of nuclear fuel
1	M/s AREVA, France	300 MT Uranium Ore Concentrate (in 2008)
2	M/s TVEL Corporation, Russia	2000 MT Natural Uranium Dioxide pellets spread over five years (in 2009) 58 MT of Enriched Uranium Dioxide pellets (in 2009) 42 MT of Enriched Uranium Dioxide pellets (in 2015)
3	M/s NAC Kazatomprom, Kazakhstan	2100 MT of Uranium Ore Concentrate spread over six years (in 2009)
4	M/s NMMC, Uzbekistan	2000 MT of Uranium Ore Concentrate spread over five years (in 2013)
5	M/s CAMECO, Canada	3000 MT Uranium Ore Concentrate spread over six years (in 2015)

(c) Quantum of fuel received is as under:

S.No.	Firm / Country	Quantity received (as of April 15, 2015)
1	M/s AREVA, France	299.87 MT *
2	M/s TVEL Corporation, Russia	1514.69 MT ** 58.29 MT @
3	M/s NAC Kazatomprom, Kazakhstan	2095.90 MT *

- * In the form of Natural Uranium Ore Concentrate.
- ** In the form of Natural Uranium Di-oxide Pellets.
- @ In the form of Enriched Uranium Di-oxide Pellets.
