ANSWER

THE MINISTER OF STATE (INDEPENDENT CHARGE)
IN THE MINISTRY OF TEXTILES
(SHRI SANTOSH KUMAR GANGWAR)

(a): The details of the imports of Textiles and clothing items from China during 2013-14 as against the previous year, is annexed.

(b) & (c): There are no such reports. However, several measures have been recommended for inclusion in the Foreign Trade Policy for providing incentives to the Textiles and Clothing (T&C) sector exports. This includes incentives for exports to focus markets and exports of focus products, interest subvention on pre-shipment credit, duty-free import of trimmings etc. required by the garmenting industry and duty-free import of tools by the handicrafts industry. This apart, financial assistance is being provided to the exporters under the Market Development Assistance Scheme and the Market Access Initiative scheme, for enhancing market share in existing markets and for exploring new markets.
