

New semester to be postponed of various Universities in China including Southwest University

Posted On: 19 FEB 2020 8:29PM by PIB Delhi

In meeting of Ms. Preeti Sudan, Secretary, Ministry of Health & Family Welfare, Government of India, with Chinese Ambassador few days back, she had requested that students who had returned from China were representing that their respective universities were asking them to join back or they would lose their admission status. This request has been responded to favorably. The Chinese Embassy has written that State Council of China has decided to postpone the new semester of the universities including Southwest University for which Secertary (HFW) had represented.

The students will be notified by their respective Universities accordingly.
